

West High School Booster Club presents....

Blue and White Knight

The West High School Booster Club is sponsoring the annual Blue and White Knight to benefit the West High School Athletic Programs. The Booster Club helps support the athletic teams at the High School. Due to funding cuts, many of the teams are left to raise their own money to replace tired uniforms and equipment. The Booster Club subsidizes the teams in their fundraising efforts. In addition, the Booster Club awards thousands of dollars in annual scholarships to graduating students.

The event will be held April 5th at 6:00pm at the Hellenic Community Center. We will have a catered dinner as well as a silent auction and our annual Super Raffle. It is the one "Knight" that the Boosters raise the funds we need to provide assistance for all of our student athletes. We are in need of items for the dinner and the silent auction and we are requesting that your business assist us in our fundraising efforts. All contributors will be recognized at the event. We will also send you a thank you letter for your records and there will be a thank you letter naming all the contributors published in the local newspapers. It's great advertising for you and it's tax deductible.

To donate an item for the auction contact Auction Item Chairperson: _____.

On behalf of West High School Booster Club members and the student athletes, thank you for your consideration.

Sincerely,

West High School Booster Club
